SIMONE PEDRETTI

The art of furnishing with uniques stones

Siamo il primo brand di design che realizza arredamento italiano d'alta gamma con pietre uniche.

Uniamo il design di alcuni dei migliori architetti e designer alla sapiente manifattura artigianale italiana utilizzando materiali rari e ricercati.

La costante ricerca di pietre rare e sconosciute ci permette la realizzazione di opere con materie prime uniche che nessun' altra azienda ha mai usato.Questo processo ci rende unici, posizionandoci in una nicchia esclusiva orientata alla ricerca dell'eccellenza.

We are the first design brand that creates high-end Italian furniture with unique stones.

We combine the creativity
of some of the best architects and designers with skillful Italian craftsmanship using rare and sought-after materials.

The constant search for rare and unknown stones allows us to create products with unique raw materials that no other company has ever used.
This characteristic makes us unique, positioning us in an exclusive niche with the aim of the pursuit of excellence.

Surfaces

Surfaces è la collezione di SIMONE PEDRETTI composta da marmi, graniti e quarziti uniche e ricercate. L'identità di Surfaces è quella di portare ai loro possessori un concetto di esclusività, unicità e bellezza. Valori tangibili generati da pietre naturali uniche e preziose lavorate dalle mani esperte dei nostri artigiani.

Surfaces is the SIMONE PEDRETTI collection composed of unique and sophisticated marble, granite, and quartzite. The identity of Surfaces is to bring to their owners a concept of exclusivity, uniqueness, and beauty. There are tangible values generated by unique and precious natural stones worked by the expert hands of our artisans.
